Our culinary goal.

Welcome to the XO Seafoodbar. As the name suggests, we serve mostly fish and seafood.

But not only the fillets, but also bellies, cheeks and whole fish. We also like the beet as much as mussels, seaweed as much as crabs. Our cooperation with small suppliers, producers and farms from the region builds the cornerstone of our cuisine and guarantees our high quality standard.

Sweets.

Best Panna Cotta of your life (p) <i>with quince and fried thyme</i>	9
OG Apple Tarte (v) <i>with caramalized nuts, oliveoil cream</i>	12
Espresso / Macchiato <i>Guatemala, Jan-Cort Hoban</i>	3
